

Permission Form for the Use of the SynPose300 3D Pose Estimation Data

A. Terms

The **SynPose300** dataset was developed with the Video Processing Group, directed by Dr. Bogdan Ionescu at the Faculty of Electronics, Telecommunications and Information Technology of the University Politehnica of Bucharest, Romania and the Computational Biomedicine Lab, directed by Dr. Ioannis A. Kakadiaris, at the Department of Computer Science of the University of Houston. The dataset creation was funded in part by the Ministry of European Funds through the Financial Agreement POSDRU 187/1.5/S/155420 and by the UH Hugh Roy and Lillie Cranz Cullen Endowment Fund.

Users of the **SynPose300** dataset must agree to the following terms:

- 1) The users must agree that the dataset (data, ground truth, tools) will be used for research purpose only.
- 2) If this database is used, in whole or in part, for any publishable work, the following paper must be referenced:

N. Sarafianos, B. Boteanu, B. Ionescu and I.A. Kakadiaris, "3D Human Pose Estimation: A Review of the Literature and Analysis of Covariates," Computer Vision and Image Understanding, 2016.

- 3) Any use of the dataset in the development of a commercial product, or the distribution or sharing of the data with a third party, is prohibited.

B. Statement

I have read the above statements, and agreed with all terms of use. I understand that the violation of the use will be pursued.
